

Reference Letter

25 January 2013

To Arthur Lv (Chinese name Qingjiang Lu)

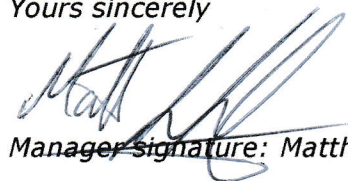

Arthur Lv was employed by Bargain Hunt Company as a .Net developer from October 2011 to November 2012. He reported directly to me during this period.

Arthur was responsible for the design of database structure, developing new programs named Buz and NetSky and meanwhile maintaining old program named Bargainhunting, developing new features and deploying them on the internet. In addition he also managed and organized resource and code version.

Arthur performed all these tasks competently and with commitment and enthusiasm. He has demonstrated the ability to work under pressure and to plan and organize successfully to meet tight deadlines. His close attention to detail has resulted in meticulous and accurate work.

Arthur was a great asset to this company and I highly recommend him for employment. Should you require any further information please do not hesitate to contact with me.

Yours sincerely
